For Immediate Release:

Please announce the following not-for-profit information on all stations, if applicable. Here are the details:

On October 4, 2006, Soroptimist International of Billings donated twelve baskets of household items to the Gateway House of Billings. These baskets included hundreds of items grouped together by room category: kitchen, laundry, bath, cleaning and baby, and had a total value of nearly \$1,000. Additionally, Soroptimists purchased a DVD/VCR player for the house, books for the house library and \$260 in gift cards for vehicle fuel purchases for the women served by the Gateway House. The items donated were purchased with the funds raised through various events held in the Billings community. The Gateway House is a local non-profit domestic violence shelter which also provides a myriad of counseling and assistance services.

Soroptimist International of Billings is made up of professional women committed to making a difference in their community. SIB identifies the needs of the community, then establishes specific projects to address these needs. In addition to SIB's commitment to the community, members are concerned with effecting change at national and international levels to improve the quality of life for people throughout the world.
